Resurfacing, Pedestrian Improvements on Lincoln Avenue from Western Avenue to Foster Avenue

CHICAGO – The Illinois Department of Transportation (IDOT) announced that lane closures and sidewalk closures will take place on Lincoln Avenue from Western Avenue to Foster Avenue, in Chicago, beginning, weather permitting, Tuesday, July 18. The closures are necessary for a resurfacing and pedestrian improvement project.

In order to complete the work, intermittent lane closures will take place on Lincoln Avenue from Western Avenue to Foster Avenue. Sidewalk closures also will take place, when necessary.

The scope of the project includes resurfacing the roadway and making sidewalk repairs and ramp improvements to comply with the Americans with Disabilities Act (ADA).

The overall project is expected to be completed in Summer 2017.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
